Face Lift	\$12,000	\$4,500	\$6,500	-	\$3,000	\$5,850

- *Estimates reflect average rates for procedures in the region.*
- *Hospitals charge based on local currency, actual costs depend on the patient's condition and exchange rate at the time of service.*
- *Estimates do not include travel and additional costs that may arise from unforeseen complications.*
- *Savings on other procedures may vary.*
